

Dirt n' Dust Stopper

Protects your worksite, furniture, fittings etc from unwanted dust, dirt, overspray etc. Fits in minutes... Simply attach it around the door frame using standard masking tape.

- Saves you a fortune in clean up and snagging costs.
- Reusable... after use, fold it up for use another time.
- Ideal for floor sanding, painting, wall chasing etc.
- Clear plastic - allows the light through.
- Heavy gauge plastic designed to last, strong industrial zipper for repeated openings.
- Universal size for door openings: 60-100 cm.

**Dirt n' Dust Stopper ...
essential for all jobsites**
